

Applying to the Project Bridge Program

Traditionally, applications for the Project Bridge Youth Ambassador Program open in September each year. Open to New York City junior and senior public high school students, each year we select eight (8) New York Youth Ambassadors. A similar process occurs in Los Angeles and Missoula as well.

Due to the COVID-19 pandemic the 2019-2020 youth ambassadors were not able to complete the Program. The Study Tour was cancelled and the public community event could not be held. Therefore, for the first time in the Program's history, the Korea Society will not accept new applications for 2020-2021. Rather the 2019-2020 Youth Ambassadors will continue on the Program for a second year.

We do encourage students who will be juniors or seniors during the 2021-2022 academic year to consider applying in fall 2021.
